Terms and Conditions:

1. To be eligible for a rebate I certify I am a member of Plumas-Sierra Rural Electric Cooperative and receive electric service at the service address listed on the application.
2. I understand I may not apply for the same rebate within a five year period.
3. The product is permanently installed at the service address listed above and within PSREC service territory.
4. Rebate eligibility is only available for measures installed January 1, 2017 to December 31, 2017 or while funding is available. All rebates will be issued on a first-come, first-serve basis.
5. The rebate amount shall not exceed the purchase price.
6. I understand only complete applications will be processed.
7. All products installed are in accordance with applicable federal, state, and local laws, building codes, manufacturer's specifications, and permitting requirements, and where applicable, used a licensed contractor.
8. PSREC may not be held liable for or associated with equipment selection, installation, operation, safety or efficiency performance of the equipment purchased and installed under this program.
9. I understand all rebates are subject to inspection, verification and disposal of old appliance.

Plumas-Sierra Rural Electric Cooperative 2017 Energy Efficiency Appliance and Lighting Rebate Program

PSREC offers programs to help you save money by making your home or business more energy efficient. When shopping for appliances, purchase ENERGY STAR labeled models. Make sure to obtain proof of ENERGY STAR compliance, often denoted on the yellow Energy Guide label on appliances.

For a product to carry the ENERGY STAR symbol, it must meet or exceed federal energy efficiency and quality guidelines. Visit www.energystar.gov for more information.
