

Plumas-Sierra Solar Interconnection Application Instructions

To better facilitate Plumas-Sierra Solar Interconnection Application processing, please submit your Application at least six weeks prior to proposed interconnection (10 weeks for 400Amp or commercial service).

All Interconnection Applications must be accompanied by the following attachments:

- Generation Interconnection Application (Attachment A of the Interconnection of Distributed Generation Policy and Procedures Manual)
- Application fee – See Interconnection of Distributed Generation Policy and Procedures Manual for applicable amount.
- System design and electrical one-line drawing
- 2 COPIES-Completed and signed Net Energy Metering Generator Interconnection Agreement(Attachment C-1 of the Interconnection of Distributed Generation Policy and Procedures Manual)
- 2 COPIES-Completed and signed Net Metering Payment Agreement (Attachment D of the Interconnection of Distributed Generation Policy and Procedures Manual)
- Copy of the Incentive Calculator results page (<http://www.csi-epbb.com/default.aspx>), with valid PV system data
- Service inspection fee – Contact office with service panel size for fee information

Send ALL hard copy documents to:

PSREC Interconnection Requests
Attn: Katie Willis
73233 State Route 70
Portola, CA 96122

Applications will be reviewed and responded to within 15 business days.

Following approval of application, construction/installation of PV system may commence. Please notify PSREC and provide an estimated date of completion for the installation, as far in advance as possible. Once the system is installed, the County Building Inspection must be passed. Next, contact PSREC to schedule a System Interconnection Inspection/ Meter Exchange. **NOTE: The system can NOT be energized until the meter is exchanged.**

- Submit a copy of final building permit, showing inspection was approved, and call PSREC to schedule a meter exchange (this may take up to 10 business days).

Plumas-Sierra REC reserves the right to adjust program requirements to better serve our members and facilitate application processing. If you have any questions, please contact us at (530) 832-4261 or (800) 555-2207.
