Let Marathon be the last water heater you will ever buy! Marathon Water Heaters offer a standard 10-year leak warranty that can be upgraded to lifetime leak warranty protection simply by registering your water heater at www.rheem.com/warranty. With a warranty like that, you can stop worrying about your water heater. Not only will the Marathon save headaches and money since it eliminates leaks and water damage, it also takes a bite out of your energy bill. Its super thick Envirofoam Insulation® keeps heat in the tank better than any water heater on the market. To learn more about Marathon water heaters visit www.marathonheaters.com.
